

Notification of School Closures

The way that schools advise you of when they are closed and when they re-open is changing. A consequence of this is that the telephone line – 03451 55 11 99 - is no longer automatically updated with school closure information.

The main ways for you to stay informed are:

- **Online** - All the news and information you'll need is online. Visit www.fifedirect.org.uk/closures for up to date information
- **By text or email through Fife Direct** – To sign up for text or email alerts, please enter your contact details via www.fifedirect.org.uk/alerts, click on Alerts and under Alert Services click on [join fifedirect](#).
- **By text or email through your school** – make sure that you have given your contact details to the school so that they can contact you by Groupcall.
- **On your Mobile phone** – search for m.fifedirect.org.uk – from your mobile phone browser.
- **Follow-us** on facebook.com/fifecouncil and twitter.com/fifecouncil
- **Listen** to Kingdom FM, Forth One and Tay FM.
- **Check DigiTV** – Red button on Sky and Virgin media under Interactive Services, Local Services.

As the autumn and winter seasons progress we will provide you with more detailed guidance on severe weather arrangements. In the meantime, please make sure you are set up to access the above communication channels to be kept up to date!
